

KIDS & TEENS

BOOK GROUPS

We offer 4 on-going book discussion groups for youth of various ages with a parent or another adult.

Participants read the same book, then meet together to informally discuss it. Each group meets quarterly.

"READ TOGETHER" Book Group

For children in grades 1-3; discuss beginning chapter books.

"BOOKS & BITES" Book Group

For children in grades 4-8; discuss longer chapter books.

Two groups are specifically for mothers and daughters.

"MIDLERS & MOMS" Book Group

For teens; discuss Young Adult (YA) novels.

"MOTHER-DAUGHTER" Book Group

For mature teens; discuss adult novels or YA novels with mature content.
