

Can My Child Have Their Own Library Card?

Can the child write their name or at least print their first name?

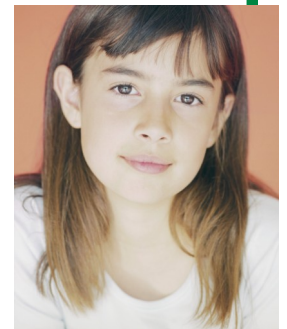

Does the child live in the Cornwall Central School District?

If you answered **yes** to both questions, the child is welcome to have their own Cornwall Public Library card.

A parent or guardian will need to sign for them and have proof of identity (driver's license or photo ID plus a piece of mail with the child's address).

If you don't already have *your own* library card, we invite and encourage you to get one and read to your child!
