

How to download titles from OverDrive to your Nook

Go to RCLS's OverDrive website

- from Cornwall Public Library's website – www.cornwallpubliclibrary.org, click on **EBooks**

The first time you use OverDrive, you will need to **download and authenticate some software** onto your computer.

- From RCLS's **OverDrive website**, click on **Quick Start Guide**, then **Download and Install Software**, the **Download and Install Adobe Digital Editions**.
- Scroll down to Adobe Digital Editions installer, and click **Install**.
- Follow the onscreen instructions to install the software on your computer.
- To **activate** Adobe Digital Editions, open the newly installed Adobe Digital Editions on your computer. "Setup Assistant Dialog Box" is displayed.
- Click **Continue**. The "Authorize Computer" screen is displayed. Enter your **Adobe ID and password**.
 - **To get an Adobe ID**, go to www.adobe.com/cfusion/membership/index.cfm for follow the link on your screen and follow the instructions.
- Click **Finish** to close the "Setup Assistant Dialog Box."

Once you install and authenticate Adobe Digital Editions on your computer, you are ready to **start downloading ebooks to your Nook**.

- On RCLS's **OverDrive page**, **log in** using your library card. When you log in before you start searching, you will not only see titles that are available to all RCLS member libraries' patrons, you will also see titles that have been purchased by your home library that are available to you.
- On RCLS's OverDrive page, **search for titles** you might enjoy. To read a book on your Nook, you need to find a book that is available in **EPUB format**. You can limit by format and even limit to available copies if you want something right away.
- If you find titles that are "checked out," you can click on **Place a Request**. Once the title becomes available to you, you will receive an email and will then be able to download it.
- Once you find a title that is available for checkout, click **Add to Download List**. Be sure to choose the **Adobe EPUB edition** if you want to read it on your Nook. In your **My Download List**, you can either click on **Continue Browsing** or **Proceed to Checkout**.

- Once you click on Proceed to Checkout, you will see how many downloads you currently have out and how many more you can check out. You are limited to 8 out at a time.
- Click on **Confirm Checkout**.
- On the Download screen, click **Download**.
- In the window that opens, click **OK**. Adobe Digital Editions will open up and the book that you downloaded will display. Now you need to transfer it to the Nook.
- To transfer the title to the Nook, **attach your Nook to your computer** using your USB cord. In Adobe Digital Editions, go to **Library View**. You will see your Nook listed in the left pane.
- **Click and drag** the book from the right pane to your Nook. Adobe Digital Editions will copy the book to your Nook.

To return your ebook:

- In Adobe Digital Editions, you will see the ebook listed in the right pane as an icon. There is a small arrow in the upper left corner of the book icon. **Click this arrow**, then click **Return Borrowed Item**, then click **Return**.
- You will also need to **remove the book from your Nook**. Connect your Nook to your computer and open up Adobe Digital Editions. In Adobe Digital Editions, **click on your Nook**, click **Item Options** (arrow at the top left of the book's icon), click **Delete Item**, and click **Delete**.
