

How to download ebooks to your iPad

First, you need to **download the OverDrive app** on to your iPad. Find it in the App Store under OverDrive. You also may wish to download the Kindle app so that you can download Kindle format books, too. This, too, is downloadable from the App Store.

To set up the app:

- Open up the app. In the Get Books screen, click **Add a Library**.
- Search for Cornwall Public Library. Choose **Ramapo Catskill Library System**.
- In the future, when you open your app, you can simply click on Ramapo Catskill Library System and be connected to the Ramapo Catskill Library System's Digital Download Center.

To search for books:

- Tap on **Ramapo Catskill Library System** in the OverDrive app under Get Books.
- **Login** by tapping **Login** and typing your library card number and your PIN, which is usually the last 4 digits of your phone number. Logging in before you search allows you to also see titles that were purchased by Cornwall Public Library for Cornwall patrons (or by your home library for its patrons).
- Search for books by tapping **Search** or **Browse**.
- To **limit** to only those titles that are currently checked in, tap a check mark in the option Show only available titles.
- You can read books in **EPUB format** on your iPad. If you also install the Kindle app, you can also read books in Kindle format (these instructions refer to books in EPUB format downloaded through the OverDrive app). When choosing your book, make sure that you download the correct format.
- Once you find what you are looking for, tap on **Add to Download List** (if it is immediately available) or **Place a Request** (if it is checked out). If you click Place a Request, you will get an email when that title is available for download.
- From the **My Download List**, you can Continue Browsing or Proceed to Checkout. Tap **Proceed to Checkout** to checkout and download your book.
- In the Checkout screen, you have the option of changing the loan period from 21 days to 14 or 7 days by tapping on the Lending period options. This screen will also show you how many titles you currently have checked out and how many more you are allowed at any one time. You are allowed to borrow 8 titles at any one time. Tap **Confirm Checkout**.

To download your book:

- In the **My Download List**, click on Download.
- The OverDrive app will open up again and your book will automatically download.
- Once the book is downloaded, tap on the title and read the book.

To return your book:

- In the OverDrive app where your book is listed, tap **Edit**.
- Tap the **red circle** next to the book you want to return.
- Tap **Delete**.
- Tap **Return then Delete**.
