Cornwall Public Library Director's Report June, 2016

General Overview

This was a great month for feedback – hearing lots suggestions for programs, compliments about staff service, enjoyment of program offerings and lots of happy kids running around!

Administration

- -Policies You are presented this evening with the Procurement Policy, and the Credit Card Policy which has been reviewed and revised by the Finance Committee. We are asking for a motion to approve. The Exhibits and Display Policy has been sent to our lawyers for review, will be submitted for final review by the board in August.

Personnel

-**Staff** - Staff received written notice of their 2016-2017 salary adjustments on June 27. A thorough review of staffing plans and a performance review schedule will be developed for 2016-17.

Building

- **-HVAC** air conditioning fluctuates a bit but is generally functioning well. United has been on top of it and we are cool.
- -NYS Public Library Construction Grant Preliminary work has been done with the building committee and a project outline was submitted to Paul Mays. Estimated costs were given to RCLS on May 15 in the amount of \$350,000. August 18 mandatory workshop at RCLS to prepare application; Grant is due: September 2.
- **-Community Room** this space was painted on July 1. Refreshed and reinvigorated for the Nita Klein Art Show beginning July 9. Additional renovations frame cabling and new flooring will be done by summer's end.
- **-Table Auction** Holiday Table fundraising idea in conjunction with Friends to unload the 4 heavy oak tables in community room and replace with folding tables and chairs to maximize room space, usage of tables and to save staff backs.
- -Glass Cabinet the glass cabinet in the circ area is dangerous to have around children. I would like to donate it to the Historical Society, who has expressed interest.

Finance

-Policy and procedure review – Michelle, Reenie, Carol, Chris and I met July 7 to review and revise the Credit Card Policy and the Procurement Policy. They are presented tonight for your approval.

-Bookkeeper – Reenie will be pursuing her jewelry business full time. We will need to hire a new person in this critical position. I have some people in mind and I am working through civil service for the process. Reenie has graciously agreed to train and support the new person.

Outreach & Partnerships

-Community Collaborations: Placemaking leaders – made good connections with the Orange County Citzens Foundation and attendees at recent workshop which featured Paul Mays and libraries as the Keynote; Hudson Valley Pattern for Progress event – represented the library system and ensured libraries were focus of presentations and discussions on downtown revitalization efforts; Chamber of Commerce continues to afford us good community relationships and partners for storywalk this summer; 2 Alice's Coffee Shop is our summer partner enabling us to feature a sticker with our GO! Summer logo and website link on all coffee lids; held the second "Community Conversations" workshop on June 22 for 16 people, and engaged in a good discussion on placemaking and the environment. Great suggestions for, and interest in, continued conversations in Sept and Oct.

-News Coverage – we continue to average between one and four mentions in the Cornwall Local each week for the past month. Coverage of programming in the TH Record has been solid.

Programs, Collections, and Services

Programs and Circulation -22 programs were held this month with an attendance of 164. The most well attended programs included Chamber of Commerce breakfast (25); Tea & a Classic (27), Community Conversations (16), Mystery Book Group and Author program (10), Book Chat (13); and the Cookbook Club (9). Due to the extreme customer service practices of our amazing staff, Cornwall leads the race with 51 teams to date! The multi-library summer program, with the theme of the Amazing Race TV Show, "Amazing Orange Libraries" features a county-wide scavenger hunt to promote library visitation and awareness. Our summer clerks are on board and working well. Other circ staff have been given additional responsibilities in their areas of interest. Rosaleen has suggested the benefit of RCLS-negotiated music platforms to share the costs among the 47 libraries and will be forwarding her ideas and requests to Robert Hubsher.

Youth Services – 12 programs attracted 1269 children and adults reached through volunteer recruitment and orientation, 4 significant school visits and assemblies, the SRP Kickoff Event and specialty programs such as the Party 2 Dye 4 and Bryan's Bikes. As of today, 330 children are registered for our summer reading program – well surpassing last year! The linkage with the schools has created more awareness of summer programming, and the quality and variety of programming have attracted daily audiences. Incredible job by the children's staff!

Adult Services – **Reference service** this month dealt with technology assistance (64), reader's advisory (19), reference questions (261), ILL Pulls (1421), laptop lending (7) and general circulation help (126) and (18) SEAL/outside the system, requests. Total PC usage – 888; top database use: NoveList Plus (2322) and EBSCO (955.) Events included a genealogy program; Master Gardener Lecture; Orange County Office for the Aging; Apple Tech training; Adult Coloring and a "Naturally Sweet Food in Jars" program.
