XI. Adjournment

Next Regular Board Meeting Weds. January 10, 2024, 7 PM
Cornwall Public Library Board of Trustees Meeting
November 8, 2023 7:00 p.m.
Minutes

Meeting was called to order by Meghann Chyla at 7:01 p.m.

I. Roll: Trustees Present: Meghann Chyla (Vice President), Melissa Greaves-Kulisek (Secretary), Matt Rettig, Lynn Daniels, Julia Dahl, Michelle Query, Emily Milton

Also: Charlotte Dunaief (Director), Cathy Squillini (Minutes)

Excused: Stephanie Wolf (President)

Public: Liz Fisher

II. Approval of Agenda: A motion to approve the agenda was made by Lynn Daniels, seconded by Matt Rettig, and unanimously approved.

III. Approval of the Minutes: A motion to approve minutes of the Regular Board Meeting of October 11, 2023, was made by Julia Dahl, and seconded by Matt Rettig. Discussion: Michelle Query's name was omitted in the Roll; typo on Lynn Daniels name. A vote to approve the Minutes of the Regular Board Meeting October 11, 2023, as revised was unanimously approved.

IV. Financial Review: A motion to approve Warrant #4 in the amount of $102,650.02 was made by Matt Rettig, seconded by Michelle Query. Discussion: Two payrolls occurred in this period; three programs were pre-paid: cello concert, holiday card making, and holiday tabletop tree event; the movie license fee was included in this Warrant as was the RCLS quarterly fee; Safe and Sound had two invoices: alarm repair and the annual fee; insurance also had two invoices: building coverage and annual fee; there were two Verizon invoices to cover Munger Cottage and regular Wi-Fi service. A vote to approve Warrant #4 in the amount of $102,650.02 was unanimous.

V. Public Remarks: None

VI. Communications and Donations: On October 2, 2023, CPL received a $50.00 check from Hannaford Community Bag Program. “Thank You” letters were received from: Ms. Casparian, Ms. Larkin, and Mr. Kramer.

VII. Director’s Report: See Google Docs for full report. The staff is anxious to get back to the building; we are delayed one week because RCLS cannot come to move and re-install IT until November 29. Movers will come November 28 to move CPL items except IT. Operations at Munger Cottage will close to the public November 27 – December 3. CPL will re-open to the public on Monday, December 4. Resignation letters were accepted from Ilona Velasquez (Circulation) and Rebecca Barth (PR/Youth Services). A part-time position for Public Relations
has been posted and a Full-time Librarian II Youth Services Civil Service list has been requested. On October 19 we received approval of the Grant Amendment.

VIII. Committee Reports:

Finance Committee: The Committee reviewed the HVAC budget and expense sheet. There is a capital balance of $264,806.00 after grant funds from Sen. Skoufis and DASNY are received. Question: When will reimbursement come? First, all paperwork must be completed and delivered, but if it follows our past experience the reimbursement will be fast.

Friends: None

Policy: Revised Governance of the Board of Trustees. The board is invited to review the document before the December Board Meeting to check for format. The Board Roster and the Reconsideration of Policy Form now appear as appendices to the document. This will make it easier to update as necessary since Board approval is not needed for changes to an appendix.

Buildings, Gardens, Grounds, and Sustainability: A motion to approve payment of nine construction invoices totaling $258,161.44 was made by Melissa Greaves-Kulisek, seconded by Lynn Daniels, and unanimously approved. Invoices include MDS (2), Rockland Electric (2), Collier (2), Profex.

On Friday, November 10 at 9:00 am there will be a walk-through of the building. Three doors had to be replaced rather than refinished due to prior water damage. A heater will be installed in the boiler room to keep pipes from freezing.

Personnel Committee: A motion to accept the resignation of Ms. Rebecca Barth was made by Matt Rettig, seconded by Michelle Query, and unanimously approved. A motion to approve the hiring of part-time Circulation Clerk(s) Ms. Teresa Arriaga and Ms. Brigitte Quijada was made by Julia Dahl, seconded by Michelle Query, and unanimously approved.

Strategic Planning Committee: The Committee is working on Google Forms; the project is put on hold until after the upcoming holiday.

IX. Unfinished Business: At the last Board meeting it was discussed that the cost of an Employee Handbook review by Ms. Devora Lindeman who specializes in Civil Service and Labor Law would be investigated. Ms. Lindeman was recommended by RCLS, and the cost of a review is between $5,000-$7,500. The purpose of the review is to check on specific laws that may be missed in the current handbook.

Discussion: When was the current handbook last approved? About five years ago by Mr. Howard Protter, Attorney. If the Board decides to move forward with this review, we would like a list of all things that are expected from the review. Is there a place to obtain a checklist of what a good handbook should cover so that the Board can do some of the work? The New York Library Association may have a checklist. The Board is not ready at this time to spend the money on
the review of the handbook but is not against doing so. The vote to move forward with an Employee Handbook review was tabled.

A *motion to approve* the RCLS 2024 Budget as presented in September 2023 was made by Lynn Daniels, seconded by Michelle Query, and unanimously approved.

WHEREAS Cornwall Public Library (the “Library”) and Ramapo Catskill Library System (“RCLS”) are party to an Agreement for Integrated Library System Participation (the “ILS Agreement”) with a five-year term beginning January 1, 2023; and WHEREAS The Directors’ Association (DA) voted to change the current ILS vendor, SirsiDynix, to the new ILS vendor, ByWater Solutions, with the affirmative consent of a majority of member library directors; therefore BE IT RESOLVED that the Library hereby AGREES with DA and votes IN FAVOR of switching Integrated Library System providers from SirsiDynix to ByWater Solutions.

A *motion to accept* the above change in the Integrated Library System vendor was made by Matt Rettig, seconded by Michelle Query, and unanimously approved.

X. **New Business**: An overview of the results of the Employee Survey was presented to the Board by Meghann Chyla. Sixteen employees completed the survey. Of particular importance to staff is the air quality in the building. Before re-opening high cleaning of the stacks will occur through Stanley Steemer. Currently, the construction workers on the project are cleaning as they go along. the filter being used earns a high Minimum Efficiency Reporting Value (MERV) rating. Question: Is there anything more we can do to mitigate particulates in the air? The Director stated she will mention this information to the staff at the upcoming staff meeting on November 14.

The 2024 Holiday Schedule was reviewed. A vote on the 2024 Holiday Schedule will take place at the next Regular Board Meeting on December 13.

XI **Adjournment**: A *motion to adjourn* was made by Michelle Query, seconded by Melissa Greaves-Kulisek, and unanimously approved. The Regular Board Meeting was adjourned at 8:05 p.m.

The next Regular Board Meeting will be held on

    **Wednesday, December 13, 2023 at 7:00 p.m.**

Reflections

Finally, on Monday, December 4, 2023, we were able to open the doors of our library building to the public after more than 3 months of construction and a week of cleaning and prepping the interior space. The first 100 patrons were welcomed at the door with smiles, complimentary stainless steel water bottles to use at the new water fountain/filling station and a brief
explanation of what is new and different. It was wonderful to greet both familiar and new faces and assist them in what was needed. So good to be back!!

Respectfully submitted 12/8/2023 ekf

November brought its share of both challenges to the staff as we were excited to head back home to our library building as well as a continued focus on programming to let our community know we were vibrant and still providing high-quality programs at a variety of locations. Health topics always draw our community out with the content and caliber of the presenters we are fortunate to attract. But entertaining musical concerts always top the list, and the cello offering proved it. Needless to say, our crafters were kept busy with 2 programs; a life-skill Zoom program on interview techniques will hopefully help to provide employment opportunities. However, the 6-Hour Safe Driving Course is a winner every time it is offered. Lastly, we continue to encourage donations to the Friends, and our very generous Cornwall community never disappoints us.

-Brenda

In addition to programming, the relocation back to the library building kept me busy with what I felt was valuable and contributory. I appreciated the opportunity to work with a great team to accomplish the tasks at hand and collaborate with vendors and other community members. Thank you, Charlotte, for getting us all home safely and back in business as quickly as was humanly possible!

Onward to December!
Strategic Planning Report

The Strategic Planning Committee met Monday, December 4, 2023. We went through the Strategic Plan action steps and took stock of current progress and steps that need to be taken to support action step completion. It has been a very full 6 months since the SP was adopted, and it is time to refocus on those identified priorities.

In particular:

Connections
- Action Step 2. Create a Library Board-Staff partner program to expand understanding, acknowledge the work, and integrate feedback for ongoing needs assessment by 01/01/2024 and to run continuously for the duration of this strategic plan time frame.

This step has had a little development (creation of input form; some staff have also met with the Executive Committee), but a partner program has not been created to date. The committee recognized the challenges and priorities of moving ahead with this step. We acknowledge the need for staff to feel seen and heard while we are constrained by the Board-Staff communication policies put in place to prevent undermining the chain of communication. That being said, the strategic planning process clearly brought this need to the surface (for staff to feel better understood/seen/heard in order to build connections), and this continues to be a meaningful priority. We had the following ideas for how to implement such a “partner” program:

<table>
<thead>
<tr>
<th>Type</th>
<th>Description</th>
<th>Pros</th>
<th>Cons</th>
<th>Verdict</th>
</tr>
</thead>
<tbody>
<tr>
<td>One on One</td>
<td>Volunteer board member observes staff member to understand what a typical hour is like in that person’s role.</td>
<td>Staff get individual attention, do not have to add any tasks to their day, and feel the context of work is understood.</td>
<td>Staff may have complaints and direct them to the Trustee, who is put in a difficult position in terms of established chain of communication. Staff may feel uncomfortable being observed at work.</td>
<td>No</td>
</tr>
<tr>
<td>Staff attend Board Meeting</td>
<td>Staff members are invited to attend a Board Meeting to share more about work day. One staff person per Board Meeting on a volunteer basis.</td>
<td>Staff are heard by entire Board. Staff can highlight work experiences that might be missed in a single visit.</td>
<td>Staff may not want to air experiences in front of the whole Board or in front of Director. Staff asked to come to night meeting.</td>
<td>Maybe</td>
</tr>
<tr>
<td>Make a Video of Work</td>
<td>Staff volunteer to</td>
<td>Staff can capture work</td>
<td>Staff may not want</td>
<td>Maybe</td>
</tr>
<tr>
<td>Video Testimonial</td>
<td>make a video of work day of choice, editing with help of new PR person if desired.</td>
<td>as desired and may feel more comfortable with this than meeting with Trustees. Entire Board can view and get a broad while somewhat deep understanding of work.</td>
<td>added burden of creating a video, may lack technology knowledge or comfort creating videos.</td>
<td>Video Testimonial</td>
</tr>
<tr>
<td>Video Testimonial</td>
<td>Staff volunteer to record a message to the Board about their work.</td>
<td>Staff can convey message without filling out a form, feel seen, and format requires less time than creating a video of work as it is happening. Entire Board can view.</td>
<td>Board does not see the person in their work context and this format lacks richness of visual detail.</td>
<td>Video Testimonial</td>
</tr>
<tr>
<td>Staff fill out CPL Community Input Form for Staff</td>
<td>Using the Google Form in development for staff input, a question can be added asking staff if they would like to meet with the Board to share more about their work experience. If yes, how would you like to share? Then select options (Attend Board Meeting/Make a video of work/film a video testimonial)</td>
<td>Easy prompt for staff to share more with the Board when they already have a reason to fill out the input form. Volunteer-based. Provides options for sharing to give staff choice.</td>
<td>Limited to those who fill out Google form. Cons as listed above for the three options.</td>
<td>Staff fill out CPL Community Input Form for Staff</td>
</tr>
</tbody>
</table>

**Physical Environment**
- **Action Step 2.** Obtain pricing and feasibility information for solar panels on the CPL property to support fiscal responsibility, environmental stewardship, and sustainable facility practices by 09/01/2023. Develop a plan for implementation based on feasibility for the subsequent fiscal year by 12/30/2023

Charlotte has a plan and pricing for our property from Sustainable Westchester that spoke to the Board about community solar (separate from the community solar details). She will ask Leo Wiegman (Director of Solar Programs for Sustainable Westchester) to update the information if solar can be added over the area where the new HVAC is installed. Charlotte will reach out to other solar providers for pricing and array plans this month. Community member Chris Patak, who works in the solar industry, has previously agreed to speak to Charlotte and review the options to develop our understanding in order to successfully apply for the EBSCO grant. She will reach out to him again once the other bids are in. This information will be
reviewed by the Building, Garden, Grounds, and Sustainability Committee. The projected date for a plan for implementation is 3/1/2024.

Programs

- Action Step 1. Staff will contact local employers (e.g. St. Luke's-Cornwall Hospital) and the NYS unemployment office for guidance on job fair structure and key figures by December, 2023.

Charlotte reports that she has discussed this plan with Brenda who has been working intermittently on putting the job fair together. Projected job fair date will be Spring 2024.

The SP Committee will meet three times over January and February to advance these actions. We will work with the new PR hire (Jessica) to refine the SP flier, add a button to the home page (e.g., "Take our survey"), create QR codes to the Input Form for the flier and to be posted at the Circ. desk/front door, email Input Form to distribution list, etc.

Finally, please bring to our December Board meeting any feedback for the SP committee on the CPL Community Input Form for Staff. It can be made available to staff once approved by the Board. *(Form linked for your review staff input Google form.)* Questions are intentionally open-ended to allow for a wide variety of input, and a future form/s can be developed if a theme emerges around a specific area. Also, a more detailed form is in development looking at specific areas of the library in relation to the strategic plan and physical space. Release of this latter form is on hold until after the holidays to give staff time to get back into a normal work routine in the library.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

Public Burden Statement

We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W. Washington, D.C. 20210.

REMARKS:

---

(2) That any payrolls otherwise under this contract required to be submitted for the above period are correct and complete; that the wage rates for laborers or mechanics contained therein are not less than the applicable wage rates contained in any wage determination incorporated into the contract; that the classifications set forth therein for each laborer or mechanic conform with the work he performed.

(3) That any apprentices employed in the above period are duly registered in a bona fide apprenticeship program registered with a State apprenticeship agency recognized by the Bureau of Apprenticeship and Training, United States Department of Labor, or if no such recognized agency exists in a State, are registered with the Bureau of Apprenticeship and Training, United States Department of Labor.

(4) That:

(a) WHERE FRINGE BENEFITS ARE PAID TO APPROVED PLANS, FUNDS, OR PROGRAMS

☐ in addition to the basic hourly wage rates paid to each laborer or mechanic listed in the above referenced payroll, payments of fringe benefits as listed in the contract have been or will be made to appropriate programs for the benefit of such employees, except as noted in section 4(c) below.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

**Public Burden Statement**

We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W.  
Washington, D.C. 20210

I, ____________________________ Office Manager
(Name of Signatory Party) (Title)

I do hereby state:

(1) That I pay or supervise the payment of the persons employed by MDS HVAC-R, Inc. on the Cornwall Public Library: that during the payroll period commencing on the 11 day of October 2023, and ending the 17 day of October 2023, all persons employed on said project have been paid the full weekly wages earned, that no rebates have been or will be made either directly or indirectly to or on behalf of said MDS HVAC-R, Inc. from the full weekly wages earned by any person and that no deductions have been made either directly or indirectly from the full wages earned by any person, other than permissible deductions as defined in Regulations, Part 3 (29 C.F.R. Subtitle A), issued by the Secretary of Labor under the Copeland Act, as amended (48 Stat. 948, 63 Stat. 108, 72 Stat. 967; 76 Stat. 357; 40 U.S.C. § 3145), and described below:

(2) That any payrolls otherwise under this contract required to be submitted for the above period are correct and complete; that the wage rates for laborers or mechanics contained therein are not less than the applicable wage rates contained in any wage determination incorporated into the contract; that the classifications set forth therein for each laborer or mechanic conformed with the work he performed.

(3) That any apprentices employed in the above period are duly registered in a bona fide apprenticeship program registered with a State apprenticeship agency recognized by the Bureau of Apprenticeship and Training, United States Department of Labor, or if no such recognized agency exists in a State, are registered with the Bureau of Apprenticeship and Training, United States Department of Labor.

(4) That:

(a) WHERE FRINGE BENEFITS ARE PAID TO APPROVED PLANS, FUNDS, OR PROGRAMS [ ]

(b) WHERE FRINGE BENEFITS ARE PAID IN CASH

☐ Each laborer or mechanic listed in the above referenced payroll has been paid, as indicated on the payroll, an amount not less than the sum of the applicable basic hourly wage rate plus the amount of the required fringe benefits as listed in the contract, except as noted in section 4(c) below.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. §3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payroll to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payroll are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits. 

Public Burden Statement

We estimate that is will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W. Cornwall Public Library’s History
Cornwall Public Library’s History

The First Library in Cornwall owed its existence to a number of forward-looking citizens, who in November 1869, formed the Cornwall Circulating Library. One of the group, a wealthy philanthropist named Erard A. Matthiessen, became the chief stockholder and later owner of an imposing three-story structure erected in the village square. Although the building housed a number of establishments including an assembly on the top floor, its name—Library Hall—signified the principal occupant, the library.

The editor of an early town newspaper, a woman of education and culture, used every opportunity to extol the library, especially as an inducement for vacationists who invaded Cornwall in the summer. The community was a popular resort in post-Civil War years filled with spacious hotels and boarding houses.

Despite the name – “Circulating Library” – the facility seems to have functioned more as a reading room where a number of daily newspapers and current periodicals could be found. Supported by an annual subscription, ranging from one to five dollars, and by occasional fundraisers, it also relied on contributions of books from the patrons. The room was open daily, especially in the summer when, in rainy weather, it would be filled with guests from the nearby hotels.

Matthiessen Hall, once known as Library Hall, in the Village of Cornwall on Hudson,

Although the library could count on permanent quarters, its survival was threatened by a decline in the resort business and by a lack of patronage from the year-round population. In 1889, the local newspaper announced the sale of books and other property of the Cornwall Circulating Library; all that remained were small collections of books in the town’s public schools.

The next step came in 1893 when the two largest school districts applied for a charter from the State Board of Regents, which had been empowered to charter free public libraries supported by a school or municipal tax base. Within a short time, Cornwall obtained its permanent charter and School District 5 (Canterbury) set up a library in a small school, which in 1904 moved to a new building. At the same time, School District 4 (Cornwall-on-Hudson), whose school was close to Library Hall, was able to occupy the former reading room. Each library had a board of trustees that met periodically to oversee
the operations and approve the selection of new books, exercising censorship over “unsuitable” material. Under a series of librarians, as yet untrained, the collections of books increased both in numbers and scope; card catalogues were instituted; and a small juvenile section opened. The windows of the library in Cornwall-on-Hudson overlooked the village square which made it a favorite after-school haunt of teenagers, who came ostensibly to do their homework. In 1921, the residents of Mountainville, a rural section of Cornwall, organized a third town library. They found space in a store, stocked the shelves with books from their homes, took turns as librarians, and sponsored benefits to defray the costs. Later they moved into an empty railroad station.

By the 1930s, the deteriorating condition of Library Hall (now called Matthiessen Hall) made the need for new library quarters. The son of the late Mr. Matthiessen offered to build a new library in Cornwall-on-Hudson, a handsome colonial-style building which opened in 1935 and is still in use. The three libraries operated independently until the centralization of the Cornwall Schools in 1954. A new library charter had to be obtained. The libraries of Districts 4 and 5 joined to become the Cornwall Public Library with one board of trustees and a single budget. There were three branches: the Library in Cornwall-on-Hudson; rooms in the Town Hall into which the District 5 library had moved in 1953; and the Mountainville Library, which joined the system in 1969.

The history of the last three decades can be summed up in two familiar words: modernization and expansion. Meeting the public demand for up-to-date services led to the hiring of a professional director and additional staff, the purchase of computers and other modern equipment, and the expansion of programs, including those for children. Those who remember the once-spacious interior of the Cornwall-on-Hudson library were astounded at the then crowded conditions—additional shelving and equipment left scarcely room to turn around; and the problem was worse at the Town Hall branch.

The Library in the Village of Cornwall-on-Hudson was built in 1934.
Over the years, several options have been presented to the taxpayer, ranging from the acquisition of existing buildings to the erection of a new library. In 1989, a proposition for a $3.2 Million building was defeated, as was a scaled-down version for $2.65 million in 1990. Closing the Mountainville branch in 1990 subsequently reduced operating costs. In 1997, the Trustees presented voters an entirely new plan to build a 10,000 square foot library for $2.2 million. Designed by architect Peter R. Hoffman of Marlboro, NY, the proposal for the new library offered the consolidation of services, collections, and staff in one new location at Riverlight Park. Active campaigning by members of the Friends of the Library and other interested citizens achieved the long-needed approval of a new building in December of that year. Construction of the new Cornwall Public Library began in April 1999, with a grand opening slated for later that year or early 2000.

**Library History – An Update**

Today, Cornwall Public Library houses a collection of close to 195,000 items that includes hardcover books, paperbacks, ebooks, audio books, DVDs, and music CDs. There are over 8,800 registered borrowers, it receives over 151,000 annual visits, and is open 7 days a week. The Library has 8 public computers, 4 children’s learning stations, a laptop/iPad lab for training and in-house borrowing, and a children’s early literacy mini iPad lab with 10 mini iPads for use by preschoolers through teens. There is a diverse offering of programs for people of all ages and interests that draw more than 8,300 attendees annually. The Library serves as a Community Center for residents of the Cornwall Central School District and beyond, and strives continually to meet the needs and requests of the Greater Cornwall Community.

Rules for the Governance of the Board of Trustees
Rules for the Governance of the Board of Trustees

Introduction

In 1959, the Education Department of the State of New York chartered the Cornwall Public Library (CPL). This Charter of Organization has continued in effect and forms the legal, structural base for functions of the Board of Trustees and its governance of the Cornwall Public Library. With the Charter are written Rules for the Government of the Board of Trustees.

The following Rules for Government have been developed over time and within the framework of the Charter. Since 1959, the Board of Trustees has written appropriate policies and set procedural changes in order to meet new needs and update the provision of Public Services by the Library.

1. Regular meetings shall be held on the second Wednesday of each month at 7:00 PM in the Cornwall Public Library or at such other time and place as the Board may determine.

2. Special meetings may be held at any time at the call of the President, Vice President, or Secretary, or a call of any two members of the Board, provided that proper notice is given thereof.

3. A quorum at any meeting shall consist of four or more Trustees.

4. The order of Business at all regular meetings of the Board shall be as follows:
   
   I. Roll
   II. Approval of Agenda
   III. Approval of the Minutes –MM/DD/YYYY
   IV. Financial Review
      1. Approval of Warrant #n
   V. Public Remarks
   VI. Communications/Donations
   VII. Director’s Report
   VIII. Committee Reports
      1. Finance Committee
      2. Policy Committee
      3. Building & Grounds Committee
      4. Friends
      5. Personnel Committee
      6. Strategic Planning Committee
   IX. Unfinished Business
   X. New Business
XI. Adjournment

Robert’s Rules of Order shall govern the parliamentary procedure of the Board.

Organization

1. Pursuant to the retirement of the General Code of the State of New York, the Board of Library Trustees from School District Number One shall consist of seven (7) members elected by the qualified voters of the Cornwall Central School District of the Towns of Cornwall, New Windsor and Woodbury, Orange County, New York for a full term of three (3) years. The Board shall appoint vacancies due to cause other than expiration of term until the next Operating Budget Vote and Trustee election. At that time the appointee and any other interested candidates may run for the remainder of the unexpired term.

2. The Trustees shall have full responsibility for the formation of policies governing the operation and program of the library; they shall employ a competent Library Director possessing a Master’s Degree in Library Science; and shall secure adequate funds to carry on the Library’s program.

3. The Officers of the Board shall be President, Vice President and Secretary. Their terms of office shall be for one (1) year coinciding with the Library’s Fiscal Year (July 1-June 30). They shall be elected at the first regular meeting in each school district year.

4. The duties of all officers shall be by custom and law and rules of this Board devolved upon such officers in accordance with their titles. The president shall be, ex officio, a member of all committees.

Committees

Standing committees shall be Finance; Policy; Building & Grounds; Friends; Personnel; Strategic Planning. Committees should have no more than three members. The President may appoint committees for other purposes, those committees will be considered discharged upon the completion of the purpose for which it was appointed after the final report is made to the board.

Budget & Public Voting

In order to maintain and develop services of the CPL, the Board of Trustees will start a review of expenditures, staff and planning for the next fiscal year by January of each year. Working with the Library Director, the Board will prepare a final budget plan in time for adoption at the Board meeting in March.

The budget will be presented to the public with time for public review and voting in April for approval or rejection. The election of a Trustee for each open position will be made at the same public vote.

As CPL is a School District Public Library, public voting for the proposed budget, election of trustees or any needed special bond expenses will be carried out in accordance with the voting rules of the Cornwall Central School District.

Library Director and Staff

1. The Board shall appoint a qualified Library Director possessing a Master’s Degree in Library Science who shall be the executive and administrative officer of CPL on behalf of the board and serve under its review and direction.

2. The Library Director shall recommend to the Board the appointment and specific duties of other employees and shall be held responsible for the proper direction and supervision of the staff.
3. The Library Director shall also be responsible for:
   a. The care and maintenance of the Library property;
   b. Adequate and appropriate selection of materials in keeping with the stated policies of the Board;
   c. The efficiency of Library service to the public;
   d. The Library’s financial operation within the limits of the budgeted appropriation;

4. In the case of part-time or temporary workers, the Library Director shall have the interim authority to appoint without prior approval of the Board until its next regular meeting.

Library Staff Responsibilities

The overall responsibilities of the Library Director are defined in the Rules of Government of the Board of Trustees. Delegation of tasks geared toward ongoing library service is at the discretion of the Library Director. The Director will direct the staff to maintain all library services year round.

In the absence of the Library Director for vacation, illness or unexpectedly for other reasons, these supervisory responsibilities will fall to the senior full-time qualified librarian working under the review and direction of the Board of Trustees.

Amendments

Amendments to these rules may be proposed at any regular meeting but may become effective only after a favorable vote at a subsequent meeting. Any of the foregoing rules may be temporarily suspended by a unanimous vote of all the Trustees present at any meeting.

Reconsideration of a Policy

Patrons may request that the Board of Trustees of CPL reconsider a policy. Patrons should contact Library Staff for a copy of the request for Reconsideration of a Policy Form. The form should be completed and returned to the Information Desk. The Library Director will then present the form during the New Business section of the next regular meeting.
Section 3

Organization Oath of Office
Organizational Oath of Office

I, __________, do solemnly swear and affirm that I will support the Constitution of the United States and the Constitution of the State of New York; and that I will faithfully discharge the duties of the office of Trustee of the Cornwall Public Library according to the best of my ability.

Section 4

Public Access to Records
Public Access to Records of Cornwall Public Library

Part 1. Freedom of Information
The Freedom of Information Law (FOIL) affirms your right to know how your government operates. It provides rights of access to records that reflect governmental decisions and policies that affect the lives of every New Yorker. The Law authorized the creation of the Committee on Open Government.

Part 2. Scope of the Law
All agencies are subject to FOIL and the Law defines “agency” to include all units of state and local government in New York State, including state agencies, public corporations and authorities, as well as any other governmental entities performing a governmental function for the state or for one or more units of local government in the state (Pub. Off. L. (“POL”) § 86(3)).

The term “agency” does not include the State Legislature or the courts. For purposes of clarity, “agency” will be used hereinafter to include all entities of government in New York, except the State Legislature and the courts, which will be discussed later.
Part 3. What is a Record?

All records are subject to the FOIL, and the law defines “record” as “any information kept, held, filed, produced or reproduced by, with or for an agency . . . in any physical form whatsoever.” POL § 86(4). It is clear that items such as audio or visual recordings, data maintained electronically, and paper records fall within the definition of “record.” An agency is not required to create a new record or provide information in response to questions to comply with the law; however, the courts have held that an agency must provide records in the form requested if it has the ability to do so. For instance, if the agency can transfer data into a requested format, the agency must do so upon payment of the proper fee.

Part 4. Accessible records

FOIL is based on a presumption of access, stating that all records are accessible, except records or portions of records that fall within one of the below categories of deniable records. POL § 87(2).

An agency may decline to produce records or portions thereof that:

(a) are specifically exempt from disclosure by state or federal statute;
(b) would if disclosed result in an unwarranted invasion of personal privacy;
(c) would if disclosed impair present or imminent contract awards or collective bargaining negotiations;
(d) are trade secrets or are submitted to an agency by a commercial enterprise or derived from information obtained from a commercial enterprise and which if disclosed would cause substantial injury to the competitive position of the subject enterprise;
(e) are compiled for law enforcement purposes and which if disclosed would:

   i. interfere with law enforcement investigations or judicial proceedings, provided however, that any agency, which is not conducting the investigation that the requested records relate to, that is considering denying access pursuant to this subparagraph shall receive confirmation from the law enforcement or investigating agency conducting the investigation that disclosure of such records will interfere with an ongoing investigation; ii. deprive a person of a right to a fair trial or impartial adjudication;
   iii. identify a confidential source or disclose confidential information relative to a criminal investigation; or iv. reveal criminal investigative techniques or procedures, except routine techniques and procedures;
(f) could if disclosed endanger the life or safety of any person;
(g) are inter-agency or intra-agency communications, except to the extent that such materials consist of:

   i. statistical or factual tabulations or data;
   ii. instructions to staff that affect the public;
   iii. final agency policy or determinations; or
   iv. external audits, including but not limited to audits performed by the comptroller and the federal government;
(h) are examination questions or answers that are requested prior to the final administration of such questions or
(i) if disclosed, would jeopardize the capacity of an agency or an entity that has shared information with an agency to guarantee the security of its information technology assets, such assets encompassing both electronic information systems and infrastructures; or
(j) [Deemed repealed Dec. 1, 2024] are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-a of the vehicle and traffic law.
(k) [Expires and deemed repealed Dec. 1, 2024] are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-b of the vehicle and traffic law.
(l) [Expires and deemed repealed Sept. 20, 2025] are photographs, microphotographs, videotape or other recorded images produced by a bus lane photo device prepared under authority of section eleven hundred eleven-c of the vehicle and traffic law.

(m) [Expires and deemed repealed July 1, 2022] are photographs, microphotographs, videotape or other recorded images produced under the authority of section eleven hundred eighty-b of the vehicle and traffic law.

(n) [Expires and deemed repealed Dec. 1, 2024] are photographs, microphotographs, videotape or other recorded images prepared under the authority of section eleven hundred eighty-e of the vehicle and traffic law.

(o) [Expires and deemed repealed Sept. 12, 2024] are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-d of the vehicle and traffic law.

(p) [See also, par. (p) below.] are data or images produced by an electronic toll collection system under authority of article forty-four-C of the vehicle and traffic law and in title three of article three of the public authorities law. (p) [Expires and deemed repealed Sept. 6, 2024; See also, par. (p) above.] are photographs, microphotographs, videotape or other recorded images prepared under the authority of section eleven hundred eighty-d of the vehicle and traffic law.

(q) [Expires and deemed repealed Dec. 1, 2024] are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred seventy-four-a of the vehicle and traffic law.

(r) [Expires and deemed repealed Oct. 6, 2026; See also, pars. (r) below.] are photographs, microphotographs, videotape or other recorded images prepared under the authority of section eleven hundred eighty-e of the vehicle and traffic law.

(r) [Expires and deemed repealed Dec. 1, 2026; See also, pars. (r) above and below.] are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-f of the vehicle and traffic law.

(r) [Expires and deemed repealed Dec. 1, 2025; See also, pars. (r) above.] are photographs, microphotographs, videotape or other recorded images or information and data prepared under authority of section three hundred eighty-five-a of the vehicle and traffic law.

The categories of records that an agency may decline to produce generally involve the potentially harmful effects of disclosure. They are based in great measure upon the notion that disclosure would in some instances “impair,” “cause substantial injury to,” “interfere with,” “deprive,” “endanger,” etc.

One category of records an agency may decline to disclose that does not deal directly with the effects of disclosure is exception (g), which deals with interagency and intra-agency materials. The intent of the exemption is twofold. Written communications transmitted from an official of one agency to an official of another or between officials within an agency may be withheld as exempt insofar as they consist of advice, opinions or recommendations. For example, an opinion prepared by staff which may be rejected or accepted by the head of an agency need not be made available. Statistical or factual information, on the other hand, as well as the policies and determinations upon which an agency relies in carrying out its duties, are available unless a different exemption applies.

There are also special provisions in the law regarding the protection of trade secrets and critical infrastructure information. Those provisions pertain only to state agencies and enable a business entity submitting records to state agencies to request that records be kept separate and apart from all other agency records. When a request is made for records falling within these special provisions, the submitter of such records is given notice and an opportunity to justify a claim that the records would if disclosed result in substantial injury to the competitive position of the submitter’s commercial enterprise. A member of the public requesting records may challenge such a claim.
Generally, the law applies to existing records. Therefore, an agency need not create a record in response to a request. Nevertheless, POL § 87(3) requires that each agency must maintain the following:
   (a) a record of the final vote of each member in every agency proceeding in which the member votes;
   (b) a record setting forth the name, public office address, title and salary of every officer or employee of the agency; and
   (c) a reasonably detailed current list by subject matter of all records in possession of an agency, regardless of whether the records are accessible.

**Part 5. Protection of Privacy**

One of the exceptions to rights of access referenced earlier states that records may be withheld when disclosure would result in “an unwarranted invasion of personal privacy.” POL § 87(2)(b).

Unless otherwise deniable, disclosure shall not be construed to constitute an unwarranted invasion of personal privacy when identifying details are deleted, when the person to whom a record pertains consents in writing to disclosure, or when upon presenting reasonable proof of identity, people seek access to records pertaining to themselves.

When a request is made for records that constitute a list of names and home addresses of natural persons (i.e., not corporations or individuals acting in a business capacity) or its equivalent, the agency is permitted to require that the applicant certify that such list will not be used for solicitation or fund-raising purposes and will not sell, give or otherwise make available such lists to any other person for the purpose of allowing that person to use such list for solicitation or fund-raising purposes. POL § 89(3)(a).

Since 2010, agencies have been prohibited from intentionally releasing social security numbers to the public. POL § 96-a.

**Part 6. How to Obtain Records**

**Subject matter list**

As noted earlier, each agency must maintain a “subject matter list.” POL § 87(3)(c). The list is not a compilation of every record an agency has in its possession, but rather is a list of the subjects or file categories under which records are kept. It must reference all records in possession of an agency, regardless of whether the records are available. You have a right to know the kinds of records agencies maintain.

The subject matter list must be compiled in sufficient detail to permit you to identify the file category of the records sought, and it must be updated annually. Each state agency is required to post its subject matter list online. An alternative to and often a substitute for a subject matter list is a records retention schedule. Schedules regarding state and local government outside of New York City are prepared by the State Archives; those applicable in New York City are prepared by the NYC Department of Records and Information Services.

**Regulations**

Each agency must adopt standards based upon general regulations issued by the Committee. These procedures describe how you can inspect and copy records. The Committee regulations and a model designed to enable agencies to easily comply are available on the Committee website. See Regulations of the Committee on Open Government and Model Rules for Agencies.
Designation of Records Access Officer

Under the Committee regulations, each agency must appoint one or more persons as records access officer. The records access officer has the duty of coordinating the agency response to public requests for records in a timely fashion. In addition, the records access officer is responsible for ensuring that agency personnel assist in identifying records sought, make the records promptly available or deny access in writing, provide copies of records or permit you to make copies, certifying that a copy is a true copy and, if the records cannot be found, certifying either that the agency does not have possession of the requested records or that the agency does have the records, but they cannot be found after diligent search.

The regulations also state that the public shall continue to have access to records through officials who have been authorized previously to make information available. The records access officer is:

Requests for Records

An agency may ask you to make your request in writing. See Sample Request for Records, below. The law requires you to “reasonably describe” the record in which you are interested. POL § 89(3)(a). Whether a request reasonably describes records often relates to the nature of an agency filing or recordkeeping system. If records are kept alphabetically, a request for records involving an event occurring on a certain date might not reasonably describe the records. Locating the records in that situation might involve a search for the needle in the haystack, and an agency is not required to engage in that degree of effort. The responsibility for identifying and locating records sought rests to an extent upon the agency. If possible, you should supply dates, titles, file designations, or any other information that will help agency staff to locate requested records, and it may be worthwhile to find out how an agency keeps the records of your interest (i.e., alphabetically, chronologically or by location) so that a proper request can be made.

The law also provides that agencies must accept requests and transmit records requested by email when they have the ability to do so. These days, few agencies will not have an email system and accordingly must accept requests and provide records using this method.

Within five business days of the receipt of a written request for a record reasonably described, the agency must make the record available, deny access in writing giving the reasons for denial, or furnish a written acknowledgment of receipt of the request and a statement of the approximate date when the request will be granted or denied, which must be reasonable in consideration of attendant circumstances, such as the volume or complexity of the request. The approximate date ordinarily cannot exceed 20 business days from the date of the acknowledgment of the receipt of a request. If an agency determines that it needs more than 20 business days to grant a request in whole or in part, the agency acknowledgment must explain the reason and provide a specific date within which it will grant a request in whole or in part. 9 When an agency delays a response beyond 20 business days, the delay must be reasonable in relation to the circumstances of the request. If the agency fails to abide by any of the requirements concerning the time within which it must respond to a request, the request is deemed denied, and the person seeking the records may appeal the denial. For more information, see Explanation of Time Limits for Responding to Requests.
Fees

An agency must make copies of records available on request. Except when a different fee is prescribed by statute (an act of the State Legislature), an agency may not charge for inspection, certification or search for records, or charge in excess of 25 cents per photocopy up to nine by 14 inches. POL §87(1)(b)(iii). An agency may charge fees for copies of other records based upon the actual cost of reproduction. There may be no basis to charge for copies of records that are transmitted electronically; however, when requesting electronic data, there are occasions when the agency can charge for employee time spent preparing the electronic data.

Denial of Access and Appeal

Unless a denial of a request occurs due to a failure to respond in a timely manner, a denial of access must be in writing, stating the reason for the denial and advising you of your right to appeal to the head or governing body of the agency or the person designated to determine appeals by the head or governing body of the agency. The following person(s) or body shall determine appeals regarding the denial of access to records under the Freedom of Information Law:

President of the Board of Trustees
Cornwall Public Library
395 Hudson Street, Cornwall, NY 12518
845-534-8282

You may appeal within 30 days of a denial. Upon receipt of the appeal, the agency head, governing body or appeals officer has ten business days to fully explain in writing the reasons for further denial of access or to provide access to the records. Copies of appeals and the determinations thereon must be sent by the agency to the Committee on Open Government. POL § 89(4)(a). A failure to determine an appeal within 10 business days of its receipt is considered a denial of the appeal.

You may seek judicial review of a final agency denial by initiating a proceeding pursuant to Article 78 of the Civil Practice Law and Rules. When a denial is based on an exception to rights of access, the agency has the burden of proving that the record sought falls within the claimed exemption(s). POL § 89(4)(b).

FOIL permits a court, in its discretion, to award attorney fees to a petitioner when the court finds that they have substantially prevailed and the agency failed to respond to a request or appeal within the statutory time. An award of 10 attorney fees is mandatory when the petitioner has substantially prevailed and the court finds that the agency had no reasonable basis for denying access.

Access to Legislative Records

Section 88 of FOIL applies only to the State Legislature and provides access to the following records in its possession:

(a) bills, fiscal notes, introducers’ bill memoranda, resolutions and index records; (b) messages received from the Governor or the other house of the Legislature, as well as home rule messages; (c) legislative notification of the proposed adoption of rules by an agency; (d) transcripts, minutes, journal records of public sessions, including meetings of committees, subcommittees and public hearings, as well as the records of attendance and any votes taken; (e) internal or external audits and statistical or factual tabulations of, or with respect to, material otherwise available for public inspection and copying pursuant to this section or any other applicable provision of law;
(f) administrative staff manuals and instructions to staff that affect the public;
(g) final reports and formal opinions submitted to the Legislature;
(h) final reports or recommendations and minority or dissenting reports and opinions of members of committees, subcommittees, or commissions of the Legislature;
(i) any other records made available by any other provision of law; and
(j) external audits conducted pursuant to section ninety-two of the legislative law and schedules issued pursuant to subdivision two of section ninety of the legislative law.

In addition, each house of the Legislature must maintain and make available:
   (a) a record of votes of each member in each session, committee and subcommittee meeting in which the member votes;
   (b) a payroll record setting forth the name, public office address, title and salary of every officer or employee; and
   (c) a current list, reasonably detailed, by subject matter of any record required to be made available by section 88.

Each house is required to issue regulations pertaining to the procedural aspects of the law. Requests for the listed records should be directed to the public information officers of the respective houses.

**Access to Court Records**

Although the courts are not subject to FOIL, § 255 of the Judiciary Law has long required the clerk of a court to “diligently search the files, papers, records and dockets in his office” and upon payment of a fee make copies of such items. Justice Courts are covered by § 2019-a of the Uniform Justice Court Act, which states that “records and dockets of the court except as otherwise provided by law shall be at reasonable times open for inspection to the public.”

Agencies charged with the responsibility of administering the judicial branch, such as, for example, the Office of Court Administration, are not courts and therefore are treated as agencies subject to FOIL.

Re: Freedom of Information Law

Request Records Access Officer:

Under the provisions of the New York Freedom of Information Law, Article 6 of the Public Officers Law, I hereby request records or portions thereof pertaining to (or containing the following) ________________ (attempt to identify the records in which you are interested as clearly as possible). If my request appears to be extensive or fails to reasonably describe the records, please contact me in writing or by phone at ________________.

If there are any fees for copying the records requested, please inform me before filling the request (or: ... please supply the records without informing me if the fees are not in excess of $ ____).

As you know, the Freedom of Information Law requires that an agency respond to a request within five business days of receipt of a request. Therefore, I would appreciate a response as soon as possible and look forward to hearing from you shortly. If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and provide the name and address of the person or body to whom an appeal should be directed.

Sincerely,

**Requesting Records by Email (Sample)**

We suggest that agencies create an email address dedicated to the receipt of requests. It is recommended that you review the website of the agency maintaining the records that you seek in order to locate its email address and its records access officer. The subject line of an applicant’s request should be “FOIL Request.”

Dear Records Access Officer:

Please email the following records if possible (include as much detail about the record as possible, such as relevant dates, names, descriptions, etc.): OR

Please advise me of the appropriate time during normal business hours for inspecting the following records prior to obtaining copies (include as much detail about the records as possible, including relevant dates, names, descriptions, etc.): OR

Please inform me of the cost of providing paper copies of the following records (include as much detail about the records as possible, including relevant dates, names, descriptions, etc.). AND/OR

If all of the requested records cannot be emailed to me, please inform me by email of the portions that can be emailed and advise me of the cost for reproducing the remainder of the records requested ($0.25 per page or actual cost of reproduction).

If the requested records cannot be emailed to me due to the volume of records identified in response to my request, please advise me of the actual cost of copying all records onto a storage device or other media.

If my request is too broad or does not reasonably describe the records, please contact me via email so that I may clarify my request, and when appropriate inform me of the manner in which records are filed, retrieved or generated.

If it is necessary to modify my request, and an email response is not preferred, please contact me at the following telephone number: ____________.

If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and provide the name, address and email address of the person or body to whom an appeal should be directed.

Part 8. Open Meetings

The Open Meetings Law (OML) went into effect in 1977. Amendments that clarify and reaffirm your right to hear the deliberations of public bodies became effective in 1979.

In brief, the law gives the public the right to attend meetings of public bodies, listen to debates and watch the decision-making process in action. It requires public bodies to provide notice of the times and places of meetings and keep minutes of all action taken.

As stated in the legislative declaration of the OML (POL § 100):

It is essential to the maintenance of a democratic society that the public business be performed in an open and public manner and that the citizens of this state be fully aware of and able to observe the performance of public officials and attend and listen to the deliberations and decisions that go into the making of public policy.

What is a Meeting?

“Meeting” is defined as “the official convening of a public body for the purpose of conducting public business.” POL § 102(1). Courts have expansively interpreted this term. Any time a quorum of a public body gathers for the purpose of discussing public business, the meeting must be open to the public, regardless of whether there is intent to take action, and regardless of the manner in which the gathering is or may be characterized. The definition also authorizes members of public bodies to conduct meetings by videoconference provided that certain requirements are adhered to. A meeting cannot validly be held by telephone or through the use of email.

Since the law applies to “official” meetings, chance meetings or social gatherings are not covered; however, should a quorum be present without having provided proper notice, the discussion should not pertain to public business. Also, the law is silent with respect to public participation. Therefore, a public body may permit the public to speak at open meetings, but is not required to do so.

What is Covered by the Law?

The law applies to all public bodies. “Public body” is defined to cover entities consisting of two or more people that require a quorum to conduct public business and perform a governmental function for the state, for an agency of 17 the state, or for public corporations, including cities, counties, towns, villages and school districts. See POL § 102(2). In addition, committees and subcommittees consisting solely of members of a governing body are specifically included within the definition. Consequently, city councils, town boards, village boards of trustees, school boards, commissions, legislative bodies and committees and subcommittees of those groups all fall within the framework of the law. Citizens’ advisory bodies and similar advisory groups that are not created by law are not required to comply with the OML.

Notice of Meetings

The law requires that notice of the time and place of all meetings be given prior to every meeting. See POL § 104. If a meeting is scheduled at least a week in advance, notice must be given to the public and the news media not less than 72 hours prior to the meeting. Notice to the public must be accomplished by posting in one or more designated public locations and, when possible, online.

When a meeting is scheduled less than a week in advance, notice must be given to the public and the news media “to the extent practicable” at a reasonable time prior to the meeting. Again, notice to the public must be given by means of posting in designated locations and online.
Videoconferencing

Public bodies may use videoconferencing technology to conduct their meetings in one of two ways.

Standard videoconferencing:
A public body may, under all circumstances, allow its members to attend from any physical location that is open to in-person public attendance. The locations from which all members will be attending, which must be open to the public, must also be included in the meeting notice.

Extraordinary Circumstances videoconferencing:
On April 9, 2022, Governor Hochul signed Chapter 56 of the Laws of 2022, which added § 103-a to the OML. Under POL § 103-a, effective June 9, 2022, and absent a declared statewide or applicable local disaster, a public body may act to allow members to attend a meeting by videoconference without opening the location to in-person public attendance under “extraordinary circumstances” only.

Each public body that wishes to allow for remote attendance by its members at locations that do not allow for in-person physical attendance by the public is required to, after a public hearing, adopt a local law (governing bodies of counties, cities, towns and villages), adopt a joint resolution (New York State Senate and Assembly), or adopt a resolution (any other public body) authorizing such remote attendance, and must establish written procedures that set forth what they determine to be “extraordinary circumstances.” Chapter 56 includes a non-exhaustive list of examples of such circumstances, “including disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member’s physical attendance at such meeting.”

Additionally, if a public body decides to meet under POL § 103-a, a minimum number of members must be present to fulfill the quorum requirement of the public body in a physical location or locations where the public can attend. Any member who participates at a physical location that is open to in-person attendance by the public (and which location has been included in the meeting notice) may count toward a quorum and may fully participate and vote in the meeting. If there is a quorum of members at a physical location or locations open to the public, the public body may properly convene a meeting; a member who is participating from a remote location that is not open to in-person physical attendance by the public may not count toward a quorum of the public body (but may participate and vote if there is a quorum of members at a physical location open to the public).

Finally, if a public body conducts a meeting leveraging POL § 103-a allowing a member to participate from a private location by videoconference based upon a determination of “extraordinary circumstances,” the public notice for the meeting must inform the public that such videoconferencing will be used and must include directions for how the public can view and/or participate (if participation is permitted) in such meeting.

Records to be Discussed

If records that are scheduled to be discussed during an open meeting are available under FOIL or consist of a proposed resolution, law, rule, regulation, policy or any amendment thereto, the record is required to be made available “to the extent practicable” online, at least 24-hours before the meeting, and in response to a request to inspect or copy prior to or during the meeting.

When Can a Meeting be Closed?

The law provides for closed or “executive” sessions under circumstances described in the law. It is important to emphasize that an executive session is not separate from an open meeting, but rather is defined as a portion of an open meeting during which the public may be excluded. See POL § 105.
To hold an executive session, the law requires that a public body take several procedural steps. First, the public body must make a motion during an open meeting to enter into executive session; second, the motion must identify “the general area or areas of the subject or subjects to be considered”; and third, the motion must be carried by a majority vote of the total membership of a public body.

A public body cannot close its doors to the public to discuss the subject of its choice, for the law specifies and limits the subject matter that is appropriate for executive session. The eight areas that may be discussed behind closed doors include:

(a) matters which will imperil the public safety if disclosed;
(b) any matter which may disclose the identity of a law enforcement agency or informer;
(c) information relating to current or future investigation or prosecution of a criminal offense which would imperil effective law enforcement if disclosed;
(d) discussions regarding proposed, pending or current litigation;
(e) collective negotiations pursuant to Article 14 of the Civil Service Law (the Taylor Law);
(f) the medical, financial, credit or employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation;
(g) the preparation, grading or administration of examinations; and
(h) the proposed acquisition, sale or lease of real property or the proposed acquisition of securities, or sale or exchange of securities held by such public body, but only when publicity would substantially affect the value thereof.

These are the only subjects that may be discussed behind closed doors; all other deliberations must be conducted during open meetings.

It is important to point out that a public body can never vote to appropriate public monies during a closed session. Therefore, although most public bodies may vote during a properly convened executive session, any vote to appropriate public monies must be taken in public.

The law also states that an executive session can be attended by members of the public body and any other persons authorized by the public body.

Note that item (f) is often referenced as “personnel,” even though that term does not appear in the grounds for holding executive sessions. Only when the discussion focuses on “a particular person or corporation” in relation to one or more of the topics listed in that provision is an executive session permitted.

After the Meeting — Minutes

If you cannot attend a meeting, you can still find out what actions were taken, because the OML requires that minutes of both open meetings and executive sessions must be compiled and made available. See POL § 106.

Minutes of an open meeting must consist of “a record or summary of all motions, proposals, resolutions and any matter formally voted upon and the vote thereon.” Minutes of executive sessions must consist of “a record or summary of the final determination” of action that was taken, “and the date and vote thereon.” Therefore, if, for example, a public body merely discusses a matter during executive session, but takes no action, minutes of an executive session need not be compiled; however, if action is taken, minutes of the action taken must be compiled and made available.

It is also important to point out that FOIL requires that a voting record must be compiled that identifies how individual members voted in every instance in which a vote is taken. Consequently, minutes that refer to a four to three vote must also indicate who voted in favor, and who voted against. The law does not require the approval of
minutes but directs that minutes of an open meeting be prepared and disclosed within two weeks. Agencies that maintain a website and use a high-speed internet connection must post meeting minutes (which may still be in draft form) on its website within two weeks of the date of the meeting, or within one week of an executive session.

**Enforcement of the Law**

What can be done if a public body holds a secret meeting? What if a public body makes a decision in private that should have been made in public? Any “aggrieved” person can bring a lawsuit. Since the law says that meetings are open to the general public, a person may be aggrieved if improperly excluded from a meeting or if an executive session was improperly held.

Upon a judicial challenge, a court has the power to declare either that the public body violated the OML and/or declare the action taken void. See POL § 107. If the court determines that a public body has violated the law, it has the authority to require the members of the public body receive training given by the Executive Director of the Committee or her staff. A court also has the authority to award reasonable attorney fees to the successful party. This means that if you go to court and you win, a court may (but need not) reimburse you for your expenditure of legal fees. If, on the other hand, the court finds that a public body voted in private “in material violation” of the law “or that substantial deliberations occurred in private” that should have occurred in public, the court would be required to award costs and attorney’s fees to the successful party. A mandatory award of attorney’s fees would apply only when secrecy is the issue.

We note that an unintentional failure to fully comply with the notice requirements “shall not alone be grounds for invalidating action taken at a meeting of a public body.”

**The Site of Meetings**

As specified earlier, all meetings of a public body are open to the general public. The law requires that public bodies make reasonable efforts to ensure that meetings are held in facilities that permit “barrier-free physical access” to physically handicapped persons, and that meetings are held in rooms that can “adequately accommodate” the volume of members of the public who wish to attend. See POL § 103.

**Exceptions to Coverage by the Law**

Pursuant to POL § 108, the OML does not apply to:

1. judicial or quasi-judicial proceedings, except proceedings of zoning boards of appeals;
2. deliberations of political committees, conferences and caucuses; or
3. matters made confidential by federal or state law.

The law does not apply to proceedings before a court or before a public body that acts in the capacity of a court, to political caucuses, or to discussions concerning matters that might be made confidential under other provisions of law. For example, federal law requires that records identifying students be kept confidential. As such, a school board discussion of records that do or may identify a particular student would constitute a matter made confidential by federal law that would be exempt from the OML. Similarly, a meeting in which a public body’s attorney provides legal advice to the members of such body is exempt from coverage because an attorney’s provision of legal advice to a client is confidential as a matter of law.

**Public Participation and Recording Meetings**

The OML provides the public with the right to attend meetings of public bodies, but it is silent concerning the ability of members of the public to speak or otherwise participate. Although public bodies are not required to
permit the public to speak at their meetings, many have chosen to do so. In those instances, we have advised that a public body should do so by adopting reasonable rules that treat members of the public equally.

If a public body is leveraging “extraordinary circumstances videoconferencing” pursuant to POL § 103-a to conduct its meeting, the public body must provide the same opportunity for members of the public to view the meeting (and participate, if such body permits public participation), both by remote technology or in person, in real time.

Public bodies are required to allow meetings to be photographed, broadcast, webcast or otherwise recorded as long as the equipment used to do so is not disruptive or obtrusive. If the public body adopts rules regarding such activities, they must be reasonable and conspicuously posted, and be provided to those in attendance upon request. See POL § 103(d).

Library Bill of Rights
Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person’s right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people’s privacy, safeguarding all library use data, including personally identifiable information.

*Improving information literacy, educational achievement, economic development, and quality of life for all New Yorkers*

Facts About Public Library Systems

- Serve over 19 million people statewide
- Serve 755 public libraries with over 1,100 outlets
- Operate over 300 neighborhood branches, 11 bookmobiles, and over 100 other community outlets extending services to people in correctional facilities, nursing homes, urban and rural areas
- Facilitate over 15 million interlibrary loan requests annually
- Provide access to e-books, NOVELNY and other electronic resources
- Provide professional development and training opportunities for library staff and trustees
- Operate multi-county computer networks and automated catalogs of resources
- Connect with the New York State Library, school library systems, reference and research library resources councils, and school, academic and special libraries for access to specialized resources
- Serve as a liaison to the New York State Library and the New York State Education Department

Three Types of Public Library Systems

Consolidated (3): Chartered as a single entity under a board of trustees (Brooklyn, The New York Public Library, and Queens Borough Public Library).

Federated (4): Created by action of the board or boards of supervisors or legislature of the county or counties involved while member libraries retain their own charters (Buffalo & Erie, Clinton-Essex-Franklin, Monroe, and Onondaga).

Cooperative (16): An association created by agreement of boards of chartered member libraries, which retain their autonomy.

Background Information

In the late 1950s, the State Legislature and Governor authorized the establishment of public library systems in Education Law. Governance and function are established in the Regulations of the Commissioner of Education. Each public library system is governed by a board of trustees.

See also Types of Library Systems

The State created library systems to expand the resources of all local libraries, enabling them to buy services and share resources cooperatively. Most of the 23 public library systems are supported entirely by State Aid. Systems qualify for aid based on an approved five-year plan of service and annual report. A portion of the State Aid is direct aid for member libraries.

More information on State Aid programs for libraries and library systems

Public library systems facilitate sharing of library resources so all New Yorkers have access to information and library services that advance and enhance their lives as workers, citizens, family members, and lifelong learners. Systems provide cooperative programs and services that help local communities take advantage of economies of scale. System staff provide professional expertise that helps local libraries achieve their full potential.
