

I am a big goblin monster
I destroy New York City
I break the people's buildings
I gobble up cars, and get the people to get out of the cars, and eat them up.
I am the goblin monster.
ME.

I was walking with my family in New York City
Mom picked me up
Her tummy rumbled
I got scared of it and popped out of her arms
A big goblin cadet monster just appeared
We ran away from it.
It made me do the things it wanted me to do
It turned me into a slimy goblin monster
It made me destroy New York City.

Then I punched the goblin boss in the face
He fell off of a cliff and broke his whole body
Bubbles came into his body and the goblin's slime exploded.

Then I saw my bedroom window
My mom and dad waved to me from my window
I ran as fast as I could to my house in New York City
I found the window to my house in the Vampire State Building
Mom and Dad came down to get me and brought me into the house
When it got dark we had Dino nuggets and went to sleep.
We made a brand new city together.
